ME

How would you describe me?

Helpful, talkative, sociable, bold

What do you see as my strength(s)?

Your dedication.

Can you describe a situation when I demonstrated this strength?

For our project in period 2, you were one of the most dedicated person who was working on the database. You were focused and passionate about the project and wanted to have the best possible result.

ME IN A TEAM

How do you see my role in this team?

Completer-finisher

What is my contribution to this team?

You always make sure that everything is the highest quality possible, and that everything is on track. You are one of the biggest contributors to a team.

What would you ask me to help you with?

If I would have any trouble with technical stuff I would definitely turn to you.

TIPS

Do you see any room for improvement for me as a team member?

You are already a very great collaborator, but managing your time better could benefit you well, since I have noticed that you procrastinate a lot.

Do you see any room for improvement for me as a future IT-specialist?

As of now, you would already make a very good IT specialist, although improving problem solving skills could be an advantage.

What competences would you recommend me to work on?

I am not really sure what you could work on, but improving the presentation skills and conflict resolution skills always come in handy.
