360 DEGREE FEEDBACK FORM

FROM: Corodeanu David Cristian

TO: Peter Kapsiar

ME

How would you describe me?

hard working, dedicated, fun

What do you see as my strength(s)?

Even though you say you're lazy you always get the work done and put in extra effort to make sure everything is high quality

Can you describe a situation when I demonstrated this strength?

During the second period when we worked together, you were always present and worked hard on our side of the project and you always helped me understand what you did

ME IN A TEAM

How do you see my role in this team?

A great team worker that has the knowledge and helps others if needed

What is my contribution to this team?

Reliable quality of work and always finishing the tasks in time, helping others

What would you ask me to help you with?

Anything related to programming or when I have a coding problem and I don't understand something

TIPS

Do you see any room for improvement for me as a team member?

No remarks

Do you see any room for improvement for me as a future IT-specialist?

Just continue practicing and learning new coding languages

What competences would you recommend me to work on?

Problem solving, the most important competence in IT. You are already very good at it but there is always room for improvement
